### PEUGEOT 3 YEARS OF WARRANTY

All vehicles first registered in the UK and purchased from a UK Peugeot Dealer benefit from a Peugeot 2 - Year unlimited mileage manufacturer's warranty and a free optional additional 1 year of warranty provided by the Peugeot Dealer Network in the UK. This additional warranty carries a mileage limit of 100,000 miles from first registration and is dependent upon the manufacturer's recommended servicing being carried out at the specified time or distance intervals by an authorised Peugeot Dealership. For full terms and conditions, please consult your Peugeot Dealer in the UK.

### PEUGEOT ASSISTANCE

All new Peugeots come with Peugeot Assistance, our breakdown assistance service.

Provided by the AA, Peugeot Assistance is available every minute of the day and night; 365 days of the year, for you and anyone else driving your Peugeot with your permission. Please note that Peugeot Assistance provides assistance in relation to vehicle warranty based faults on your Peugeot. It does not provide cover for non-vehicle warranty faults such as:

- the use of incorrect fuel, or lack of fuel
- wheel changes, punctured tyres
- instances where keys have been locked inside the vehicle, lost or stolen.
- road traffic accidents

Peugeot Assistance is free for the first year and includes European cover, homestart, roadside assistance, vehicle recovery and a free replacement car or hotel accommodation if required. Peugeot Assistance can be extended for a further 12 or 24 months, or to protect you against non-vehicle warranty fault incidents, at specially discounted rates for Peugeot owners by calling 0870 752 7050.
