The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load.

The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and Co₂ figures.

CO₂ figures shown above are for a standard vehicle without any additional optional equipment. The addition of optional extra could increase the certified CO₂ emission output.

On the Road' MRRP includes registration plates and delivery to retailer (including VAT), 12 months' Vehicle Excise Duty and new vehicle registration fee of £55. Excludes fuel and insurance.

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of matters including, but not limited to, any changes in legislation and/or any changes by the government).

New PEUGEOT e-BOXER Chassis Pricing Breakdown

To make the pricing of our e-Boxer vans as simple as possible, we have provided a basic breakdown below. Please note that the the Plug in Van Grant is applied to the Base Vehicle Price (incl. VAT) including any manufacturer discounts. We have not included any manufacturer discounts in the breakdown below, and so the prices are subject to change based upon any discounts being offered at the time. Please contact your local Retailer to find out about any manufacturer promotions which may impact the amount of PiVG that you can receive, and therefore the overall price of the vehicle.

Body Style & Trim Level	Length	Version	Gross Vehicle Weight (kg)	WLTP CO2 g/km	Titre Code	Basic M.R.R.P.	V.A.T.	Total M.R.R.P.	Government Grant**	Basic Price after PiVG	Total Retail Price after PiVG	OTR Price after PiVG
Chassis Cab Professional Premium +	L3	e-Boxer 435 Electric 75kWh auto Chassis Cab Professional Premium +	3500	0	2PU96GHS86U009E5	£59,710	£11,942	£71,652	£5,000	£54,710	£66,652	£67,541

** The Government PiVG is worked out at 35% of the Base Vehicle Price (incl. VAT) and including any discounts applied up to a maximum of £5,000 on all e-Boxer versions

(1) The range and electric consumption figures mentioned comply with the WLTP test procedure, on the basis of which new vehicles are type approved from 1 September 2018. They may vary depending on actual conditions of use and on different factors such as : speed, thermal comfort on board the vehicle, driving style and outside temperature. The charging time depends in particular on the power of the charger on board the vehicle, the charging cable and the type and power of the charging station used. For further information visit our website at peugeot.co.uk or contact your local PEUGEOT Retailer.

(1) Without driver. Kerb weight is calculated for a European base specification vehicle including oil, water, lubricants, tools, spare wheel and 90% full fuel tank. Weights may change with the addition of equipment.

(2) Maximum indicative payload is calculated as the difference between GVW and kerb weight. However, due to manufacturing tolerances and differences in the specification of UK vehicles, the mass in service figure provides a closer indication of the vehicle weight and therefore enables a more realistic payload to be calculated.

An individual vehicle must be weighed to establish the exact kerb weight and payload applicable to that vehicle. It is the responsibility of the driver to ensure the vehicle is operated within the legal limits

(3) Within limits of GVW.

(4) Maximum recommended towing weight within limits of GTW.

PEUGEOT BOXER - BUILT FOR BUSINESS CONVERSIONS

PRICES AND TECHNICAL SPECIFICATIONS

Effective from 1st April 2023

Model Year - 2023

PEUGEOT BOXER CONVERSIONS: Standard equipment by version

ALL VERSIONS INCLUDE

Comfort & Convenience

Air conditioning
 Front electric windows
 Twin lens door mirrors with electrically adjustable and heated upper mirror
 Cruise Control with variable speed limiter
 Reach adjustable steering wheel
 Two cupholders with mobile phone storage in centre of lower dashboard

Safety & Security

ABS braking including EBA and EBFD
 Remote central locking with deadlocking
 Daytime running lights
 Driver airbag
 Perimetric Alarm

Seating

Driver's seat with height, rake and reach adjustment
 Dual passenger bench seat
 Four seat rear bench with 3-point seatbelts to outer seats, lap belts to inner seats (crew cab only)

Technology & Entertainment

7" Colour Touchscreen with DAB radio, integrated satellite navigation, Bluetooth® handsfree, USB socket, Apple CarPlay & Android Auto
 and steering wheel mounted controls
 PEUGEOT Connect & Free2Move Connect
 Fleet telematics (6 month subscription)

Conversion Equipment

Trifunction aerial in wing mirror
 Heavy duty rear reinforced suspension (n/a to Low-Floor Luton)

LUTON

Lutons are chassis fitted with a large enclosed box on the back. The cargo area of the luton van extends over the cab. This vehicle is perfect for moving large goods.

Load volume up to 20m³
 Body approved to European design standards

Key features:

Aerodynamic pod providing additional storage area
 Lightweight roller shutter rear door
 High-quality GRP panels (11mm thick)
 15mm thick floor
 Interior LED light
 Internal load locks and tie rails along side panels
 High impact kick strips along side panels and bulkhead to provide protection
 Tail lift fitted as standard

TIPPER

Tipper are commercial vehicles with an open platform that can be raised at the cab end to enable the load to be tipped out with ease

Load length up to 2.87m
 Body approved to European design standards

Key features:

Double-skinned aluminium sideboard
 Three levels of load-lashing rails against the bulkhead and long load-lashing rail incorporated along top of the tailboard
 High vis red and yellow finish to the tailboard
 15mm thick, full birch non-slip deck
 Lashing rings built into aluminium side extrusions
 Electro-hydraulic lift with automatic overload prevention system

DROPSIDE

Dropsides are commercial vehicles with an open platform that has fold-down side panels, allowing easy loading and unloading of goods

Load length up to 3.64m
 Body approved to European design standards

Key features:

Boards are designed to withstand a burst load of 1.7 tonnes
 Three levels of load-lashing rails against the bulkhead
 Aluminium corner posts that extend above the tailboard to form lateral stops
 15mm thick, full birch non-slip deck
 Lashing rings built into aluminium side extrusions

CURTAINSIDE

Curtainsides are similar to Lutons, except the sides of the body slide open (like curtains), enabling side access as well as rear access for loading and unloading of goods

Load volume up to 20m³
 Body approved to European design standards

Key features:

Aerodynamic pod providing additional storage area
 Lightweight rear barn doors with anti-corrosion external locking
 Blue curtains with side aperture of 2080mm
 15mm thick floor
 Aluminium 'V' groove side rail with four pull-up hooks at 1m intervals
 Interior LED light
 High impact kick strip along bulkhead to provide protection

LOW FLOOR LUTON

Low-floor lutons are luton vans built on floor cabs (as opposed to chassis cabs), therefore providing the user with an easy access loading height and eliminating the need for extra loading equipment

Load volume up to 22m³
 Body approved to European design standards

Key features:

Aerodynamic pod providing additional storage area
 Lightweight rear barn doors
 High-quality GRP panels (14mm thick)
 15mm thick floor
 Internal load locks along side panels
 Interior LED light
 High impact kick strip along bulkhead to provide protection
 Lightweight aluminium rear frame

The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load.

The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and Co₂ figures.

CO₂ figures shown above are for a standard vehicle without any additional optional equipment. The addition of optional extra could increase the certified CO₂ emission output.

On the Road' MRRP includes registration plates and delivery to retailer (including VAT), 12 months' Vehicle Excise Duty and new vehicle registration fee of £55. Excludes fuel and insurance.

All information and prices correct at time of publication, but are subject to change at any time without prior notice (which may occur as a result of matters including, but not limited to, any changes in legislation and/or any changes by the government).

Weight data is provisional until final conversion data is available

(1) Without driver. Kerb weight is calculated for a European base specification vehicle including oil, water, lubricants, tools, spare wheel and 90% full fuel tank. Weights may change with the addition of equipment.

(2) Maximum indicative payload is calculated as the difference between GVW and kerb weight. However, due to manufacturing tolerances and differences in the specification of UK vehicles, the mass in service figure provides a closer indication of the vehicle weight and therefore enables a more realistic payload to be calculated.

An individual vehicle must be weighed to establish the exact kerb weight and payload applicable to that vehicle. It is the responsibility of the driver to ensure the vehicle is operated within the legal limits

(3) Within limits of GVW.

PEUGEOT 3 YEARS OF WARRANTY

All vehicles first registered in the UK and purchased from a UK PEUGEOT Dealer benefit from a PEUGEOT 2 - Year unlimited mileage manufacturer's warranty and a free optional additional 1 year of warranty provided by the PEUGEOT Dealer Network in the UK. This additional warranty carries a mileage limit of 100,000 miles from first registration and is dependent upon the manufacturer's recommended servicing being carried out at the specified time or distance intervals. For full terms and conditions, please consult your PEUGEOT Dealer in the UK. The battery for the new PEUGEOT e-Boxer is guaranteed for 8 years or 100,000 miles for 70% of its charging capacity.

PEUGEOT ASSISTANCE

All new PEUGEOTs come with PEUGEOT Assistance, our breakdown assistance service. Available every minute of the day and night, 365 days of the year, and for you and anyone else driving your PEUGEOT with your permission. Please note that PEUGEOT Assistance provides assistance in relation to vehicle warranty based faults on your PEUGEOT. It does not provide cover for non-vehicle warranty faults such as:

- the use of incorrect fuel, or lack of fuel
- wheel changes, punctured tyres
- instances where keys have been locked inside the vehicle, lost or stolen.
- road traffic accidents

PEUGEOT Assistance is free for the first year and includes European cover, homestart, roadside assistance, vehicle recovery and a free replacement car or hotel accommodation if required. PEUGEOT Assistance can be extended for a further 12 or 24 months, or to protect you against non-vehicle warranty fault incidents, at specially discounted rates for PEUGEOT owners by calling 0870 752 7050. Call charges to this number from landlines and mobile networks may vary. For more information please contact your phone provider.

PSA FINANCE UK LTD

PSA Finance UK Ltd have a number of financial products designed to help you afford the PEUGEOT of your choice. We can arrange a finance plan quickly and conveniently. What's more, it will be as suited to your needs as your new PEUGEOT. Our finance plans combine all the know how of a company that has an extensive knowledge of the car market with a financial service you can trust. Tell your PEUGEOT dealer what you want and let us do the rest. Just ask for a free, no obligation quote. Written quotations are available on request from PSA Finance UK Ltd, 61 London Road, Redhill, Surrey, RH1 1QA. Finance is subject to status. Over 18's only, a guarantee may be required.

FREE2MOVE CONNECT FLEET

All Diesel PEUGEOT Boxer versions are 'connected-ready' so that you can benefit from any of our connected services without the need for additional hardware. Free2Move Connect Fleet is offered as a free 6 month trial with all new Diesel van orders.

- Pack 1: Fleet Management £10 + VAT per vehicle per month (after the initial 6 month free trial)

- Pack 2: Eco-driving £11 + VAT per vehicle per month (after the initial 6 month free trial)

- Pack 3: Geolocation £12 + VAT per vehicle per month (after the initial 6 month free trial)

Further details are available at www.free2move-lease.co.uk/our-services/connect-fleet

PEUGEOT SERVICE PLANS

PEUGEOT Service Plans offer complete assurance that all your servicing costs will be completely covered for the duration of the plan. We offer PEUGEOT Service Plans for up to five years with many mileage options and the choice of either a one-off up front payment or a convenient monthly direct debit. All packages are affordable and inflation proof, which means they will remain at a fixed cost for the duration of the plan. Monthly price examples based on an annual mileage of 10,000 miles:

36 Months / 30,000 miles
£9.24

48 Months / 40,000 miles
£17.14

60 Months / 50,000 miles
£14.09

A PEUGEOT Service Plan can be purchased up to 12 months after registration date. The prices quote above are indicative, for a bespoke quote please contact your local PEUGEOT Dealer. If the plan is taken out after the date of registration, an additional payment will be required to cover this starting period. Any normal wear and tear maintenance work such as replacement of tyres, brake discs, clutches, shock absorbers, wipers, batteries, bulbs, silencer, exhausts and windscreens are excluded. Servicing must be carried out by a PEUGEOT Authorised Repairer in the UK. PEUGEOT Motor Company reserve the right to change, amend or withdraw this product at any time.
